

OPEN ENROLLMENT JANUARY 22-24, 2021 ICE RESCUE TECH WEEKEND & REFRESHER

Initial or Refresher Option!

RPI is offering the full Ice Rescue Technician level program that will run Friday evening through Sunday afternoon and will meet technical rescue qualifications for NFPA 1006 & NFPA 1670. This 20-hour program will cover all 3 levels of Ice Rescue Training including Awareness, Operations & Technician. RPI is also offering refresher training on Sunday only at the same location. Students are required to provide their own PPE and be 18 years of age to participate. Pre-Registration is required, and all students will receive certificates following successful completion of the program. 13 NJ EMT CEU's are approved!

Friday 7:00 pm – 10:00 pm

Saturday & Sunday 8:00 am – 4:00pm
