

OPEN ENROLLMENT JUNE 17TH, 2020 WATER RESCUE AWARENESS

This 3-hour lecture will review the risks and dangers of urban flood and current flood water rescues. Our program meets the requirements of NFPA 1006 and NFPA 1670 and uses the Pennsylvania Fish and Boat Commission Program. This is part 1 of a 4 part water rescue program. Pre-Registration is required, all students will receive certificates following successful completion of the program. Price per student.

Registration at 6:30pm

Class time 7:00 pm – 10:00 pm
